SNAP!

A vibrant, comic-style illustration of the word "SNAP!" in a white speech bubble. The letters are filled with a pink and orange polka-dot pattern and have a thick black outline. The bubble is surrounded by blue lightning bolts, black motion lines, and green triangles. The background is a colorful gradient with halftone patterns.

LEGO CHALLENGE

Enactus UK Challenge

Enactus UK Challenge

Build a structure with these Lego bricks. In a moment, each of you will get a piece of paper, where your individual assignment is written. **You may not show or tell your assignment to the rest of the team.**

You will have **20 minutes** to build your structure. You **may not speak** during the building process. **You must continue building until the time is up.** I will announce when the time is up.

BUILDING YOUR LEGACY

WHO?

What is a LEGACY?

The definition of “Legacy” is something that is passed on.

Legacy can take many forms. A Legacy may be of one's ethics and core values... A Legacy may come from one's character, reputation, and the life you lead – setting an example for others and guiding their futures.

What **LEGACY** will you leave?

Within the context of Enactus, reflect on the legacy you would like to leave...

LEGACY starts with 3 P's
